

22 Essential Resources for Android Owners

[Zachary Sniderman](#)

If you have an Android device in need of apps, boy do we have some tools and resources for you. The holidays are fast approaching and whether you're stuck at your grandmother's house or working overtime, we've got a list of Android apps and tools to help you have a little fun, while away the hours, or get that last piece of work done and out.

This list has a wide range of apps including popular games like *Angry Birds*([?](#)), photography tools like FXCamera, and business apps like Box.net.

Read through for some sweet pics for your Android([=D](#)) device and let us know in the comments below which were the most fun (or useful).

- [6 Essential Android Apps for Business Travel](#)
